

# Terminal-extraction tool-set 15-parts Suitable for MAN\* -trucks

**Part-Number: 122161100**

Cable Extraction tool set, to remove fixed contacts, pins, sockets and fixed connectors in vehicles, trucks and busses. In most cases the connection can be fixed again after the removal process.

This set is especially designed for the electronic components of most MAN trucks and busses, which have a lot of electronic systems in use. It is manufactured in Germany and from a high quality for a long and reliable usage.

**2,3 mm Ø Round Unlocking tool / circular extraction tool (part 87035)**

**Comparable with MAN part number: 80.99606-0593**

**3,5 mm Ø Round Unlocking tool / circular extraction tool (part 87045)**

**Comparable with MAN part number: 80.99606-0594**

**5,3 mm Ø Contact remover extraction**

**Comparable with MAN part number: 80.99606-6121**

**4,0 mm Ø ABS-contact remover, ABS connector extraction**

**Terminal and extraction tool for ABS connectors and contacts**

**Connection aid to re-lock extracted ABS contacts**

**Comparable with MAN part number: 80.99606-0599**

**Fork connector remover / fork extraction tool for Micro Timer connector**

**Comparable with MAN part number: 80.99606-0601**

2,8 mm Fork Extraction tool Junior Power Timer-contact

Comparable with MAN part number: 80.99606-0596

5,8 mm Fork Extraction tool

Comparable with MAN part number: 80.99606-0592

2,8 mm Fork Extraction tool for flat contacts with asymmetric locking mechanism

Comparable with MAN part number: 80.99606-0591

1,5 mm Fork terminal extraction tool for Micro Timer II and III Contacts

Comparable with MAN part number: 80.99606-0475

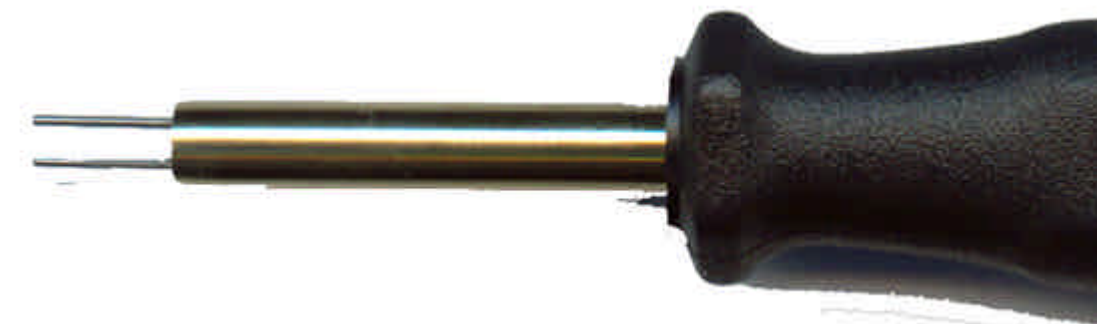

1,5 / 2,8 mm for flat pin connector DELPHI \* Ducon-contacts

Comparable with MAN part number: 80.99606-0600

2,8 mm BOSCH BDK/BSK 2,8;

Comparable with MAN part number: 80.99606-0573

Contac Bosch BMK 0,64

Comparable with MAN part number: 80.99606-0572

1,5 mm 4-pin connectors 4-pin lock MKR/MKS  
Extraction and removal tool for MKR / MKS  
contacs

Comparable with MAN part number: 80.99606-0474

4-pin unlock tool, connector remover for Deutsch-contacts

Comparable with MAN part number: 80.99606-0602
