

CELETTE MULTI-Z +

CELETTE MULTI-Z+ (Plus)

The new collision repair jig set.

Will be used from now on for all new CELETTE jig sets that will be created.

The new Celette jig sets for MB W-204, Fiat Sedici, Renault Twingo II, Laguna III, Suzuki SX4, & Toyota Auris 2 are already related to the new MULTI-Z plus System and can not be used with the former Multi Z towers.

Please ask our international sales team for further information.
